

Dear Parents,

January 9, 2012

Happy New Year!

It's that time of year again...time to register for our 2012-2013 school year. Like last year, we will use a "lottery" system, based on priority, for class placement.

How it will work:

Once you receive your priority registration form, you may turn it back into me anytime prior to 3:00 p.m. on February 2, 2012. Once you submit your form, along with the \$70.00 registration fee per child, we will assign a number to your paperwork. This is not an indication of your "priority," simply a number to be used during the lottery process. Submitting your packet before February 2nd will not increase your child's chances of receiving your first choice of placement. **Your child will be placed into one of your THREE choices based on your priority and when your number is drawn during the lottery.**

Registration paperwork details:

- To be eligible for the priority registration, your completed registration form and registration check must be received by 3:00 p.m. on February 2, 2012.
- Classroom teachers will have forms on hand if you are registering more than one child.
- You should select three top choices, in numerical order, for class placement. If you do not receive one of your choices, you will be placed on a wait list.
- Please make sure that you answered all questions completely in order to determine priority status.
- You will receive an email notifying you of your child's placement by March 1st.
- The registration form is the only form you'll complete at this time. Once placed, you will complete additional paperwork to be returned in July.

We look forward to another wonderful year of learning at Wee Three Kings Preschool. If you have any questions regarding the registration process, please call the office at 683-4256.

Sincerely,
Stacy McDowell
